

# ABOUT US

Premier Workforce Solutions is an HR consulting firm dedicated to helping you attract and retain your organization's most valuable asset: its people. Founded by HR and benefits leaders, our company is driven by a passion for creating scalable, customized solutions that challenge conventional approaches.

By partnering with industry experts, we collaborate with you to address urgent business challenges in areas such as HR/Benefits, organizational development, healthcare innovation, and more.

Premier Workforce Solutions is transforming the way workforce professionals manage the most costly aspect of any organization – its people.

## HR ADVISORY SERVICES

We offer a suite of customizable services to enhance your company's benefits and workplace culture.

The foundation of our services is a market competitiveness analysis that provides valuable insights into which solutions will have the most significant impact on your Total Rewards program.

- HR Strategy & Planning
- Benefits Analysis
- Custom Benefits App
- Benefits Leadership Support
- Reference-Based Pricing Implementation Support
- Rewards & Recognition Solutions
- Broker Evaluation & Request for Proposal (RFP) Review
- Compensation Assessment

## WORKFORCE SOLUTIONS

This is the most candidate-driven market we've seen in decades, making it harder than ever to secure top talent.

We are here to collaborate closely with your organization to understand your unique needs, and then strategically work to find the perfect solutions.

- FLEXpath Staffing
- Interim Benefits Leadership

## BENEFITS SOLUTIONS

Every year healthcare spend for individuals and businesses alike continues to increase. Premier has solutions that can help shield employees from the high cost of healthcare premiums and reduce the overall healthcare spend for your business. Your business can experience a deep cost savings of up to 30% by selecting our successful Reference-Based Pricing model.

- Health Plan Solutions
  - Reference-Based Pricing
- PBM Pharmacy
- Fringe Benefits
- Creative PTO Solutions

Life happens.  
Asking for help is hard.  
Finding help can be harder.

VitalLink is an innovative, affordable program designed to address the Social Determinants of Health by connecting your employees to vital community resources. These include accessible healthcare, financial education, food security, sustainable housing, transportation solutions, educational opportunities, and more. It offers comprehensive services for the entire family at a fraction of the cost. After all, a healthy workforce is a happier, more productive one!
